

IMPORTANT INFORMATION

Week commencing **MONDAY 12TH JUNE**, Kennoway Medical Group will be moving to a new clinical operating system. All staff will be learning to use the new system over the weeks following and we ask that our patients be as patient and understanding with us as possible when doing so.

URGENT
URGENT

We will be operating on an urgent appointment basis, and ask our patients to contact us at a later date if they feel it appropriate to do so.

We also urge patients with more minor ailments to attend the local pharmacy for advice.

We also ask that our patients aim to be as organised as possible when arranging prescriptions. **PLEASE ORDER PRIOR TO MONDAY 12TH JUNE.**

Many thanks from all at

Kennoway Medical Group
